

Forest School Association National Conference

27th – 29th September 2024

Programme Advertisers Application Form

This year's Forest School Association conference is at Danbury Outdoor Centre, Essex Outdoors. The FSA conference is attended by around 350 delegates and workshop providers each year. Each delegate receives an electronic conference booklet containing schedules and activities for the weekend. This is a great place to showcase products and services to our delegates and support the conference. We are keen on maintaining our practice of inclusion and sustainability so digital brochures are emailed to every delegate before the conference. This year's theme for the conference is **'Kindling Curiosity, Courage and Resilience.'**

If you are a conference sponsor you may be entitled to a free advertisement in our brochure depending on the sponsor package you chose, please complete the form indicating your chosen sponsorship package.

Please complete the form below and email it to nic@forestschoollassociation.org. A member of our Conference Brochure team will contact you in due course to discuss this further and to arrange payment.
